## Valedictory Ceremony @Amara Jyothi Public School

*"Celebrating New Beginnings and Endless Possibilities"*

*- STEB, Splash Magazine*

Graduation Day is always well-endowed with good memories, hopes and aspirations. It is also a testimony to many calm triumphs, reflective virtues and unbridled dreams.

Amara Jyothi Public School held its Valedictory Ceremony on February 4th, 2023, for the outgoing students of the year 2022-2023. The day also marked the Graduation Day for the little stars of UKG. It was the time for celebration and reflection of the years passed.

The Chief Guest for the UKG segment was Mrs. Aparna Athreya- Award Winning Storyteller, Educator, Corporate Trainer and Leadership Coach. The Chief Guest for the Grade XII segment was Wing Commander, Mr. Pratyush Awasthi- Indian Air Force. The School Dignitaries present for the occasion were AJPS Chairman- Shri K N Srinivasa and Principal – Mrs. Geetha Somanathan. The AJPS parent fraternity was received warmly by the School authorities along with their graduating wards.

The Graduation Day ceremony for the UKG Segment began with a procession of the graduating students who looked suave in their formal attire. They were lead by School Principal- Mrs. Geetha Somanathan and Pre-Primary Coordinator- Mrs. Latha Nair. It was followed by the traditional lamp lighting ceremony and a cordial welcome speech The Chief Guest Mrs. Aparna Athreya was felicitated by the school dignitaries. AJPS Principal, Mrs. Geetha Somanathan gave an inspirational speech marking the transformational journey of UKG students to formal Primary Education. The scintillating dance performance by Prep 1 students was hugely applauded by the audience. Notably, the junior choir was indeed mesmerising in their resounding renditions. Glimpses of Pre- Primary Learning Journey was a lovely escapade to the bygone times. Emphatic speeches by UKG and Grade I students was a personification of the excellent communication and stage performance skills of the young stars. An earnest Convocation Pledge was a gentle assurance of faith, discipline and commitment. The Conferment of Degree marked a fine closure of the day with the little one's faces indeed shining like stars, treading happy leaps!

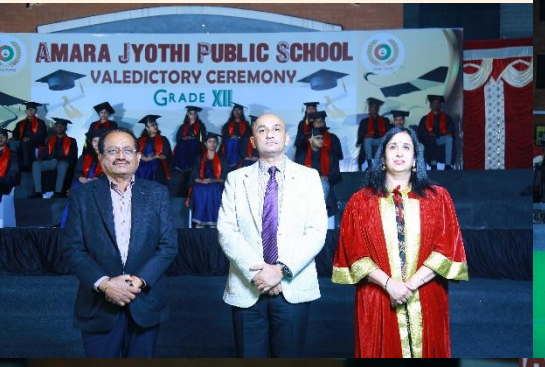

The Graduation Day ceremony for the Grade XII Segment began with a procession of the graduating students who looked fine, smart adolescents in their formal attire. They were lead by School Principal- Mrs. Geetha Somanathan and Secondary Coordinator- Mrs. Vinodhini. It was followed by the traditional lamp lighting ceremony and a cordial welcome speech The Chief Guest Mr. Pratyush Awasthi was duly felicitated by the school dignitaries.

The Grade XII graduates went on to mark the event with a beautiful candle light ceremony wherein they lit their candles from a single flame that represented their shared journey. The School Principal- Mrs. Geetha. Somanathan expressed her joy for the successful completion of the academic year and congratulated the students for their industriousness and dedication. She then elegantly lead the graduates in reciting the OATH OF COMMITMENT as they moved on to the next stage of their lives. The highlight of the event was the walk down memory lane wherein the students revisited their childhood through a heartfelt video, put together by their dedicated teachers. The valedictorian of the event delivered a very inspiring and uplifting speech followed by the school Head Boy and Head Girl proudly handing over the school's responsibility to the future leaders of the school. The event was replete with a melodious musical performance which had relishing implications. It was followed by the conferment of mementoes to the graduating students. A scrumptious dinner spread for the student and parent fraternity left many fragrances of memories, friendship and accomplishments. The Chief Guests for both the events shared many pearls of wisdom and encouraged the graduating students for their future. The Graduation Day Ceremony was certainly a memorable one; a day of pride and accomplishment for all. It indeed came in as breeze of fresh air, crafted with artistic manifestation of the mega event and its astounding magnificence.

## Major Events

### NCC- A CERTIFICATE EXAM @AJPS

The NCC -A certificate examination was held in AJPS on 7 January, 2023. The examination was conducted by the National Cadet Corps (NCC) authority with the help of the school staff. The examination was attended by a total of 220 students from various schools which consisted of 9 external schools and 24 students from AJPS. There were around 15 officials for the event with one Commanding Officer Col. Ajay Dhawan and Second in Command Lt. Col. Sunil Kumar. The examination comprised of both theoretical and practical components. The practical part of the examination was based on Weaponry, Drill, Map-Reading and FCBC test. The examination was conducted in a very professional manner and the students were given detailed instructions on the various topics that were to be covered during the examination.

Overall, the examination was conducted successfully and the students were able to demonstrate their knowledge of the topics and their physical abilities.

### TRAFFIC WEEK DAY@AJPS

The Ministry of Road Transport and Highways observed the Road Safety week in the month of January to raise awareness about road safety and traffic rules. The aim of this event is to educate students about the proper use of roads, traffic signals, and other safety precautions that should be taken while on the road. Keeping this aim in mind AJPS observed its Traffic Week Day on 20th January,2023. A special assembly focusing on the theme and various engaging activities such as – Poster Making, Slogan Writing, Drawing and Painting (Road Signs), Model Making on Traffic Signs, Skits etc were used to showcase the importance of road safety. The event certainly helped students gain awareness about traffic and regulations.

## WORKSHOP ON HEALTH AND WELLNESS

AJPS conducted a workshop on Health and Wellness for the students of Grade IV on 21st January, 2023. The Expert Speakers of the event were Dr. Raksha and Dr. Shraddha from 'Address Health'. They focused on educating the students on the importance of being healthy and taking care of their bodies. The presenters were very informative and engaging. Overall the workshop was a great opportunity for students to learn about how to maintain a healthy lifestyle.

## YOUNG PARLIAMENTARIANS FORUM@AJPS

On account of Republic Day 2023, Amara Jyothi Public School held the Young Parliamentarians Forum, a mock session on 27th January, 2023 for Grade VI - VIII. The session was intended to give the students a taste of the workings of a Parliament. It began with the students being given a general overview of the proceedings and the rules of the session. Topics such as education, health care, poverty etc. were discussed and debated thoroughly. The mock session of the Young Parliamentarians Forum was an enriching experience for the students. It was an opportunity for them to learn about the inner proceedings of a Parliament, as well as to hone their public speaking and debating skills. The session also encouraged students to form their own opinions and to engage in meaningful discussions.

Overall, the mock session of the Young Parliamentarians Forum was a success. It was an insightful and educational experience for all the students who attended the aforesaid initiative.

The best three speakers were appreciated and awarded by the School Principal and the Primary Coordinator.

Winners List:

1st place: Neelesh D - VIII D

2nd place: Ritranjan Battacharya - VIII D

3rd place: Koyal VIII D and Gittasri - VIII E

Congratulations!!

## COUNSELLING SESSION BY CHRIST UNIVERSITY STUDENTS WITH HOD-INTERNSHIP PROGRAMME

The Post Graduate students from Christ University along with their Head of Department conducted a counselling session for the students of Grade VIII as part of their internship programme on 29th January 2023. They mingled and engaged the students with open-ended and diverse topics and encouraged them to open up and share their viewpoints and areas of stress. The team members listened to the students and provided them with advice and guidance. They also provided tips on how to maintain healthy relationships with their peers, family, friends etc. Overall, the counselling session for the students was a success. The students were able to share their feelings and experiences as well as receive guidance and support from the team.

## NIGHT SIGHTS

Oh! That night was very weird,  
When a giant wave neared.  
Where it carried me, I did not know,  
But the mermaids and corals made there a fantasy show.  
Under me fishes swirled and pearls rolled,  
Suddenly I was back on my bed from that different world.

Ah! But this night was very scary,  
I was standing under a big dark tree.  
Suddenly I felt behind me a figure flee,  
When I started to run it chased me.  
But I slipped on a leaf and fell on the floor,  
It turned soft and I heard my father snore.

But how?! Do you think it was a movie?,  
Or is it my vision, I worry? ...No!  
It's something else that is different every night,  
A weird, funny or a scary sight.  
It's never as real as it seems  
Yes! It's my ever-changing dream!

## TAJ MAHAL- THE EPITOME OF LOVE

Taj Mahal is one of the seven wonders of the world and we are indeed proud of this beautiful monument. It is located in the city of Agra in the state of Uttar Pradesh. This masterpiece was built between 1631 and 1648. It's a visible embodiment of the Indo- Islamic Culture and attracts tourists across the world. It is known for its rational, strict geometry and immaculate symmetrical planning. Taj Mahal was built in the memory of Mumtaz Mahal- the beloved wife of Emperor Shah Jahan. The arches, minarets, dome, calligraphy are always a sight to behold. It's a monument in white marble and it's my dream to visit it once in my lifetime. I am proud to say that Taj Mahal is a UNESCO World Heritage Site.

## - THE THIEF LORD BY CORNELIA FUNKE

This book is about two orphaned children Prosper and Bo who are on the run, hiding among the canals and misty alleyways of the city of Venice. The Venetian setting adds lot of thrill to how the story progresses. The introduction of the Thief Lord is indeed exciting. The experiences of Prosper and Bo- the highs and the lows- all add up together to form a wonderful piece of work.

The book has a great sense of humour enhanced by the lucid style of writing. The emotions of unity and affection has been well captured in this enticing book.

I strongly recommend the young readers to make it a part of their book library!

Deeksha is a Bangalore-based group of educational Institutions. Since 1998, it has inspired confidence in JEE, NEET, and CET aspirants.

It began as a Bengaluru-based tutorial and through its distinct philosophy that emphasizes innovation, it evolved into a multidimensional entity with several ventures that range from board and competitive exam preparation, K-12, undergraduate career-enhancement programs to hybrid learning and ed-tech, all of which have broken new ground in their respective domains and have contributed to its presence in three states with over 50 campuses.

Deeksha not only signifies academic excellence, institutional integrity, and integration of technology with pedagogy but also remains peerless with its concept of dCARE (Deeksha for Children's All Round Excellence) which combines academic rigor and wellness. It stands apart with its personalized and well-rounded educational approach and exemplifies social initiative and accountability with its scholarship schemes for economically disadvantaged students.

The institution offers board and competitive exams preparation for medical, engineering, and design & architecture competitive exams including JEE, NEET, CET, NATA, NIFT, NID, etc under one roof. The model is available for both state and CBSE board students. It's not just class 11 and 12 students' career ambitions that Deeksha empowers, its foundational courses for JEE and NEET begin right from class 8. Besides that, there are also curricular programmes for Olympiad and various scholarship exams like INSPIRE (KVPY).

For the highly competitive engineering and medical competitive exams the students need to keep their best foot forward. Keeping that in view, AJPS is now collaborating with Deeksha to offer Foundational courses in Math and Science for classes 8 to 10 and Advanced Math and Science for classes 11 and 12 to help them excel in JEE, NEET, and CET along with CBSE board exams.

In the K-12 segment, Deeksha STEM is leading the way with its unique STEM pedagogy and has overseen the establishment of a network of STEM curriculum schools called the Deeksha STEM Schools in Bangalore.

Years of engineering and reengineering have their imprints on Deeksha's educational methodology. Children at Deeksha learn to think analytically and independently, gain constant and close mentorship, and consistently tread their way towards academic excellence and professional success.

It's not just the exceptional success of its alumni that defines Deeksha's legacy, it's the penchant to bring fundamental shifts that brings its contributions to education into sharp relief. Be it technological adaptations for optimal delivery or wellness-oriented educational intervention, Deeksha has always been at the forefront of systematic reforms. Its stated goal - "Nurturing Success of Every Child" is not an aspirational statement, it's the succinct signature of this unique enterprise.
